About

Harishchandragad- The fort is one of the marvellous spots with green hills, lush forests, flowing springs and glinting waterfalls making for the best experience of trekking in Maharashtra.

Harishchandragad, situated in the Malshej region of the Western Ghats is one of the most famous hill forts in the region.

The monsoon special trek has beautiful and scenic views, Located in Western Ghats, it proves to be a mesmerizing and thrilling trekking spot surrounded by a shawl of greenery.

It's complete combo of mountains with temples, waterfalls, Meadows, forests, caves, fog & Rocky patches.

If you are a photographer, then this trek might add some of the best deep forest photographs to your profile.
